

Arrival

All conference participants from abroad will be staying at

Hotel Boltzmann

Boltzmannngasse 8
1090 Wien

If you are coming by plane, you will arrive at VIE Wien Schwechat Airport, which is located south from Vienna proper. From there, two different trains leave for the city center:

1) The CAT – city airport train (circa 50 minutes)

Following the train-signs at the airport, you will first arrive at the green platforms for the **CAT**. You can get a ticket for 13,20€ at the platform. The CAT takes you to “**Wien Mitte**” (also called “Landstraße” at times). There you can change to the subway **U4** heading towards “Heiligenstadt”. We suggest getting a single ticket for the subway there (2,10€). Exit at “**Friedensbrücke**” to change to the **tram number 5** (direction “Westbahnhof”). The stop closest to Hotel Boltzmann is called “**Spitalgasse/Währingerstraße**”, and is indicated on the map below.

2) S7 – Direction Floridsdorf (circa one hour)

Tickets for the S7 are available at the red ticket machines on your way to the platforms. Choose “National ticket with selection of destination” and select “Schwechat” for 2,20€. Additionally, you need a single ticket for Vienna’s public transport, which covers your fare all the way to the hotel. It’s available at the same machine and also costs 2,10€. The **S7** heading towards “Floridsdorf” stops at “**Praterstern**”, where you can change to the **tram number 5** (heading to “Westbahnhof”). Tram number 5 takes you to “**Spitalgasse/Währingerstraße**”, which is indicated on the map below.

3) Airport Taxi (circa 30 minutes)

Another way of getting to your hotel, of course, is taking one of the many taxis waiting directly in front of the airport. You can expect to be charged 30-40€ for the ride.
